

SPECIAL REPORT: January 2018 issue **INHOUSE**

Third Annual *Canadian Lawyer* Readers' Choice Awards

CANADIAN *Lawyer*

Report closes November 21st for space, November 24th for material

The **Readers' Choice Awards** identify the legal vendors and service providers that are the best at what they do, and are the result of a well-received survey of the readership of *Canadian Lawyer* and *canadianlawyermag.com*. The results were announced in the October edition of *Canadian Lawyer*, and we're pleased that you received recognition in front of the Canadian legal community.

You can further leverage your organization's award with one of our high value packages to promote your preeminent standing and grow your business.
