APPLICATION

This Application is an appeal pursuant to section 56 of the *Trademarks Act* from a decision of Coleen Morrison, Member of the Trademarks Opposition Board, acting on behalf of the Registrar of Trademarks (the “Registrar”) issued March 27, 2025 (the “Decision”) pursuant to section 45 of the *Trademarks Act*, expunging Canadian Trademark Registration No. TMA1057974 (the “Registration”) for the trademark ROUTE 66 (the “Mark”) in association with the following goods:

Class 32: Beers; non-alcoholic beers; preparations for making beers
(the “Goods”)

THE APPLICANT MAKES APPLICATION FOR:

1. An Order allowing this appeal and setting aside the Decision of the Registrar to expunge the Registration, thereby maintaining the Registration in relation to the Goods;
2. Costs of this appeal in favour of the Applicant; and
3. Such further and other relief as this Honourable Court may permit.

THE GROUNDS OF THE APPLICATION ARE AS FOLLOWS:

1. The Registrar issued a notice pursuant to section 45 of the *Trademarks Act* in respect of the Registration on April 13, 2023 (the “Section 45 Notice”).
2. Pursuant to the Section 45 Notice, the Applicant had to show use of the Mark in Canada in association with the Goods listed in the Registration in the three-year period immediately preceding the date of the Section 45 Notice (the “Relevant Period”).
3. The Applicant filed as its evidence in support of the Registration the Affidavit of André Levy and the Affidavit of Jason Brandt (the “Evidence”).

4. The Applicant did not file written submissions while the Respondent did file written submissions in support of its position. Neither the Applicant nor the Respondent attended an oral hearing.
5. On March 27, 2025, the Registrar issued the Decision (2025 TMOB 77), in which the Registration was expunged in its entirety.
6. The Registrar held that the Applicant had not shown use of the Mark with the registered Goods during the Relevant Period, or special circumstances that excuse the absence of use.
7. The Registrar erred in expunging the Registration pursuant to section 45 of the *Trademarks Act*, as follows:
 - a. the Registrar erred in holding that the Evidence did not demonstrate use of the mark in Canada in association with the Goods during the Relevant Period and, in particular, the Registrar erred in holding that the Evidence did not demonstrate use of the Mark in Canada in association with “beers;” during the Relevant Period;
 - b. to the extent that there was use of the Mark in Canada in association with one or more of the Goods during the Relevant Period, the Registrar erred in holding that the Evidence did not demonstrate that such use of the Mark in Canada accrued to the benefit of the Applicant;
 - c. to the extent that there was non-use of the Mark in Canada in association with one or more of the Goods during the Relevant Period, the Registrar erred in holding that the Evidence did not demonstrate the existence of special circumstances that excuse said non-use; and
 - d. the Registrar erred in finding that the Evidence failed to discharge the low evidential burden on the Applicant and/or the Registrar erred in applying too high of evidential burden.

8. In any event, the Application will be supported by additional evidence that fills the perceived gap in the evidentiary record. As such the Registration should be maintained in relation to the Goods.

THIS APPLICATION WILL BE SUPPORTED BY THE FOLLOWING MATERIAL:

1. A certified copy of the file for Canadian Trademark Registration No. TMA1057974 maintained by the Registrar in respect of the Mark, including the Section 45 proceeding and all evidence filed by the Applicant in such file;
2. Such further and other supporting affidavits and exhibits as the Applicant may serve and file pursuant to Rules 306 and 309 of the *Federal Courts Rules* and this Honourable Court may permit; and
3. Such further and other documents as this Applicant may tender and the Court may permit.

Request for Material in the Possession of Tribunal:

The Applicant requests, pursuant to section 60 of the *Trademarks Act* and Rules 317 and 318 of the *Federal Courts Rules*, that the Registrar send a certified copy of the following material that is not in the possession of the Applicant but is in the possession of the Registrar to the Registry and the Applicant:

1. The files for Canadian Trademark Registration No. TMA1057974 maintained by the Registrar in respect of the Mark, including the section 45 proceeding and all evidence filed by the Applicant in such file.
