Supplementary Reasons of the Court

Summary:

In a case in which success on the appeal was divided, it is appropriate that the parties each bear their own costs.

Supplementary Reasons for Judgment of the Court:

[1] In reasons for judgment indexed at 2023 BCCA 180, this Court allowed the appeal in part in relation to four of the six appellants, dismissing the balance of the appeal. The appellants now seek their costs of the appeal on the ground that they enjoyed substantial success.

[2] In our view, taking a holistic view of the appeal, there was divided success, and it is appropriate that the parties bear their own costs.
