Application
(For a Judicial Review)

This is an application for judicial review in respect of: *(identify the tribunal and set out the date and details of the decision, order or other matter in respect of which judicial review is sought)*

On April 17th the parole board of Canada made the decision not to grant me a record removal. Based on what they said, that I was charged with assault with a deadly weapon. This is not true in any way.

The decision was communicated to the Applicant on: 2024-04-17

(insert the date on which the applicant was notified or otherwise became aware of the matter)

The applicant makes application for: *(state the precise relief being sought)*

I have been trying to get my record removed for the last 14 years. For the last 4 years, they write me back wanting more information. This time around it seems a little far fetched. I have really changed my life around and for the sake of my girlfriend and my parents, I am really trying my hardest.

The grounds for the application are: *(state the grounds to be argued, including any statutory provision or rule relied on)*

I was not charged or even questioned about anything in the last 14 years. I have way too much to lose to even think of doing anything bad. Thanks.

This application will be supported by the following material: (list the supporting affidavits, including documentary exhibits, and the portions of transcripts to be used)

- Character references
- proof of my success
- Sworn statement from a notary Public
- I will try to get something from the police.
- I was never charged or even questioned about accusations.

(If the applicant wishes a tribunal to forward material to the Registry, add the following paragraph)

The applicant requests Parole board of Canada (name of the tribunal) to send a certified copy of the following material that is not in the possession of the applicant but is in the possession of the proof of Charges (tribunal) to the applicant and to the Registry: (specify the particular material)

I don't understand why I got denied my record removal. I am a law abiding productive citizen, and someone at the parole board of Canada falsely accused me of charges from 2023 which never happened.

DATED at Federal Court this 2nd day of May, 2024

701 Georgia.
