TO: **Rikki Digout**

344 elgin street, brantford, ontario

i: (a) man do; Claim and say;

i seek relief; performance and compensate

i require an order preventing any more intimidation and coercion for any matter in respect of any all capital name by way of final order separating i from the name DAVID PALUCH and have placed upon a national database my status as mankind and minister, evangelist and prophet of God, Please by the grace of God.

i require of Rikki Digout to compensate me for eight million dollars (\$8,000,000) and step down from her job, or order her removal from her post forthwith

Total compensation \$8,000,000

- 1. Approximately 8 months ago, the woman Rikki Digout, in policy enforcement chose to assault me, kidnap me and take me to their clubhouse where i was forced and coerced in to being DAVID PALUCH in relation to a contract which is associated with said NAME**
- 2. i called Rikki because of death threats against i; [a] man Named minister David Solomon of Ahayah by a man name Alex Tuck. I am not the person DAVID PALUCH but Rickki charged said person and applied that contract to i just after she made the comment on your GOVERNMENT NAME!!!! This was the response when i inquired as to who is being charged.**
- 3. Rickky was biased and hated me because of my christian faith.**
- 4. During her carrying and taking away of i from 197 colborne st w; Rikki disclosed she was a lesbian in retort to a comment that had nothing to do with the context of what i was saying. She clearly had a bias and revealing that fact shows that as she should have removed herself from the situation when she found i was a minister which i have never hid from any one**
- 5. I asked rikki for lawful proof she was of the Crown, such as the oath of office wherein she replied "you mean the oath were sworn in with by the province?", but did not produce that which she is aware that she is required to have.**
- 6. in her club house car port and while i was bound and locked in the car and rikki made a comment which was discriminatory to the christian faith and a slur within our peoples communities. She referred to me as a terrorist while speaking to her associate saying this, "we have a freeman here" which made me very scared that i might be beaten further as the Bible talks about end time persecution and beatings and beheadings.**
- 7. Freeman and sovereign citizens are considered terrorists and dangerous, they steal and murder and plunder and use people unjustly and i have verified this fact by seeking the**

people they “influenced” and get the truth from the people, however i myself am not dangerous. At this mention i began yelling and banged on the door yelling “HELP, HEYYYY!”; in response a man named B Kelly opened the door and helped ease my fear by pointing to a sign which says the area is audio recorded and video taped. B Kelly was a good man and treated me with much love, i do not believe he taught me that being in that cage was just as he fed me as much as he could and tried to aid in my comfort.

8. There was no reason for this woman to bring me to her clubhouse as i have experienced in the same geological jurisdiction this charging instrument being applied to me again, however no other officer has ever taken me to the station let alone show up on purpose at the nearing of their shift which was 1am, i believe all things were done maliciously and spitefully because of my faith and beliefs.
9. My Name is David Solomon: Ahayah and that is the only Name i will ever know or recognize and i have many years of documentation[s] which properly demonstrates to show who and what i Am. I believe wholeheartedly in the King James Bible and i Am a minister and prophetic evangelist of the highest God and God is not a liar which informed me by way of the Holy Spirit of the mal use and fraud in our court systems under color of law by altering names into an all capital variant for unjust gain.
10. God is no respecter of PERSONS.
11. i Am a man created by my God and i love Him and i will not disobey Him; i will not contract into a NAME and diminish my status as the created man, i belong to God and i Am His property.
12. Respect of persons breaks the Law[s] of God, Commandment[s] one and two.
13. This entire situation has caused eight months of great duress in my stomach and has taken much peace away, furthermore a lot of wasted time and use of resources my ministry could not afford
14. i believe there is are laws that protect ministers/officiants from civil process, and being intimidated to do a thing they have the right to abstain from doing, such as having ones status altered and having a capitis diminutio applied to our flesh
15. Rikki had a co-conspirator “singh” who removed my property from i and destroyed the property that the property was removed from my care which is an android cell phone with a back power button, which is evidence in other cases and to date she has refused to return it, even though the case is over come in which she had initiated against me unjustly.
